

SYNCSTONETM
DIGITAL FULLBODY TILES 600x1200mm

THE COLOR

ESSENCE

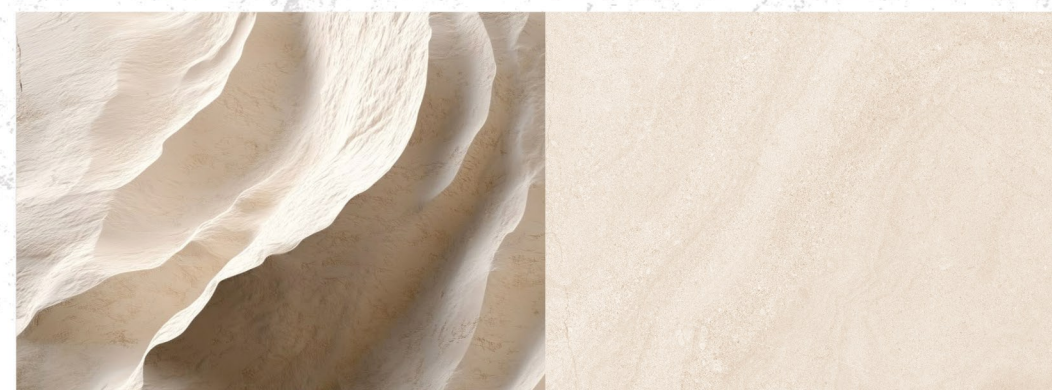

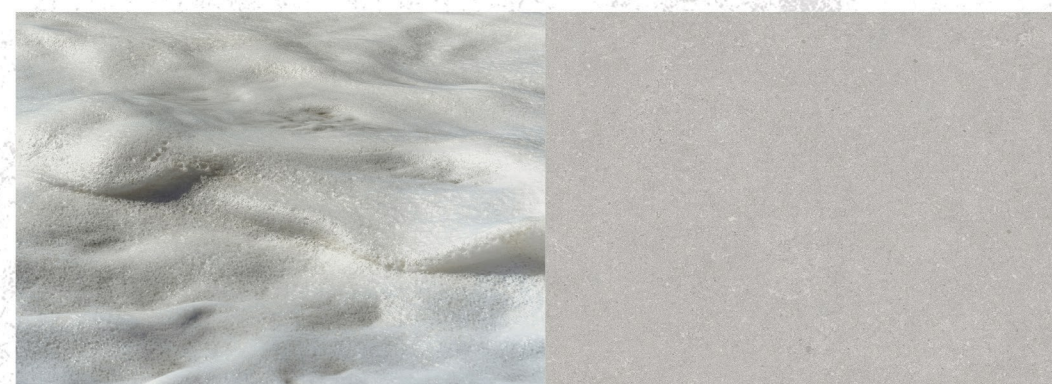

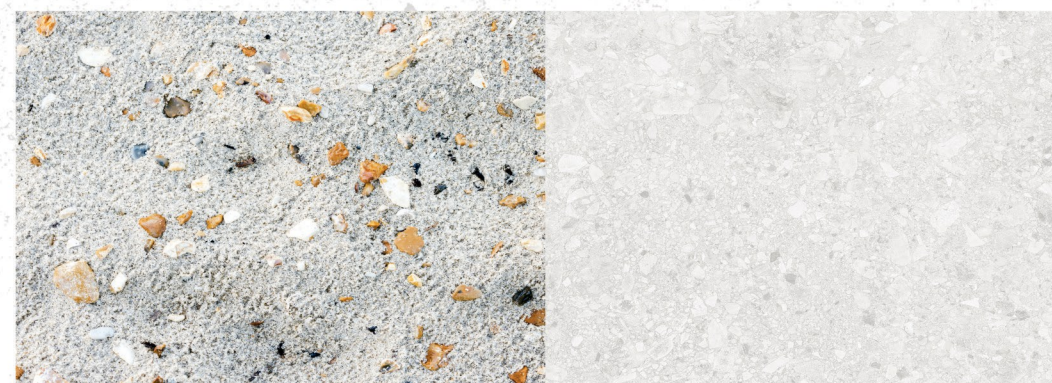

The New Aztech Collection is designed to bring ease of selection for designers and architects, offering four distinct designs.

Sandstone, Cheppo, Limestone, Cemento, The range allows effortless combinations of stone-inspired textures with a refined cemento finish, giving the freedom to create modern and contemporary looks. Perfect for spaces where aesthetics and versatility come together.

The Aztech Collection is crafted to inspire creativity and elegance. Among its treasures, three favorite shades stand out—White, Ivory, and Gris. Loved by architects and designers alike, these colors are celebrated for their calm, timeless charm.

White speaks of purity and modern simplicity. Ivory brings a touch of warmth and subtle sophistication. Gris, with its gentle depth, balances the collection with quiet strength. Together, they offer endless possibilities—whether for contemporary spaces or serene classics.

The Aztech Collection is not just about tiles—it is about creating spaces that breathe harmony, balance, and refined beauty.

Aztech
COLLECTION

Inspired by the gentle curves and serene movements found in nature, our collection brings to life both the authentic hues and the flowing textures that make each design unique.

THE
SUBLIME
TOUCH

Our designs celebrate the beauty of texture and touch, blending earthy tones with surfaces that invite interaction and elevate architectural spaces.
